

**INFORMATION FOR APPLICATION OF THE ADOPTED PROGRAM FOR
IMPLEMENTATION OF THE INTERNATIONALLY RECOGNIZED STANDARDS
FOR GOOD CORPORATE GOVERNANCE OF “INTERCAPITAL PROPERTY
DEVELOPMENT” ADSIC**

(enclosure to the Annual report on the company’s activity for 2014)

“Intercapital Property Development” ADSIC considers the good corporate governance as a set of rules, mechanisms and policy for managing and controlling the company, aiming to balance the interests of the management bodies, the shareholders and other interested parties – trade partners, creditors of the company, potential investors.

The main goals of the program for good corporate governance of “Intercapital Property Development” ADSIC are:

- Equal treatment of all shareholders of the company and guarantee of their rights;
- Improvement of the level of information security of the shareholders;
- Increasing the transparency and the publicity of the processes related to disclosing information by the Company;
- Providing an opportunity for effective control over the activity of the management body from government regulators and from shareholders;
- Ensuring accountability of the management bodies to the company and its shareholders.

Since the adoption of the program for good corporate governance, including in 2014 the company has managed and organized its activity so as to observe and to apply the internationally recognized standards for good corporate governance.

The observation of the standards for good corporate governance represents an overall organizing of the activity of “Intercapital Property Development” ADSIC for achieving the above pointed goals.

The overall organization of the Company’s activity in 2014 on a daily basis does not allow for an exhaustive enumeration of all the actions which represent implementation of the adopted program by “Intercapital Property Development” ADSIC. In the text below the highlights from the application of the standards for good corporate governance are pointed out:

1. Secure methods of ownerships registration

Since the establishment of the Company up to date, including the year 2014, the shareholders’ list has been maintained by “Central Depository” AD in the manner specified in its rules and regulations. The rights on the shares are certified by a registration document (depository receipt) issued on behalf of the owner by “Central Depository” AD through an investment intermediary which is a secure method for protection of the ownership on the security.

2. Delivery or transfer of shares

Since the admission of the shares to trading on a regulated market up to present, including the year 2014 the shares of "Intercapital Property Development" ADSIC have been traded on the "BSE – Sofia" AD. In August 2010, "Intercapital Property Development" ADSIC became the first Bulgarian company which shares are traded on a capital market outside Bulgaria as well as the first Bulgarian company which shares have been admitted for trading on a market organized by the Warsaw Stock Exchange. 11.08.2010 was the first trading date for the Company's shares on the alternative trading system for new companies "NewConnect", organized by the Warsaw Exchange.

The shares of "Intercapital Property Development" ADSIC are freely transferable, according to the will of their owners, in compliance with the specific requirements of the current legislation for disposition of dematerialized shares.

3. Regular and timely receipt of information related to the company

All shareholders of "Intercapital Property Development" ADSIC have the right to receive information for the company's deeds, as well as other information in compliance with the law.

In 2014 the company has continued to maintain its web site www.icpd.bg where it publishes information about its projects, topical issues, information about the current and historical price per share and other information which according to "Intercapital Property Development" ADSIC could be of interest to the investors.

In addition, the company observes the legal requirements for disclosure of information which it publishes within the statutory deadlines in the Financial Supervision Commission through "E-register", the "Bulgarian Stock Exchange – Sofia" AD through "X3", to the public by the electronic service provided by the "Bulgarian Stock Exchange – Sofia" AD - "X3news" and in "Central Depository" AD.

In order to ensure effective interaction with all interested parties, investors and/or shareholders "Intercapital Property Development" ADSIC has appointed an investor relations director - Mr. Milen Bozhilov who has been taking that position in the year 2014 too. The director implements effective relation between the Company's Board of Directors and the shareholders and the persons who are interested in investing in securities of the company by providing them information about the current financial and economic condition of the company, as well as any other information which they have the right to receive in their capacity of shareholders or investors.

4. Participation and voting in the General meeting of the shareholders, election of members of the Board of Directors, participation in the Company's profit distribution

The rules for good corporate governance shall give the opportunity to the shareholders to participate effectively and to vote at the General meeting of the shareholders as well as to receive information about the procedure for conducting a General meeting of the shareholders including information for the procedure of exercising the voting rights.

On its web site "Intercapital Property Development" ADSIC publishes the minutes from the General meetings of the shareholders held, the annual financial reports and the Company's prospectus.

The written materials related to the agenda of the General meeting are available to the shareholders at the seat of "Intercapital Property Development" ADSIC since the date of the announcement of the invitation for convocation of the General meeting in the Commercial Register.
